Hi Ray,

Nice to talk with you too. I'm looking forward to lunch. Here are my sonic attack articles:

<https://www.scientificamerican.com/article/ldquo-sonic-weapon-attacks-rdquo-on-u-s-embassy-don-rsquo-t-add-up-mdash-for-anyone/?redirect=1>

<https://undark.org/2018/09/27/root-cuban-embassy-mystery-bad-science-journalism/>

<https://blogs.scientificamerican.com/observations/the-cuban-sonic-attack-and-journalistic-ethics/>

<https://www.npr.org/sections/health-shots/2019/03/25/704903613/doubts-rise-about-evidence-that-u-s-diplomats-in-cuba-were-attacked>

I also attach a feature article on the neuroscience of aggression just out in SciAm.

Here's something about my new book, *Electric*

Brain: <https://rdouglasfields.com/2019/05/electric-brain-dedicated-to-my-father/>

Best wishes,
Doug

Doug, great to talk to you this afternoon. I forget to mention that earlier this year “The New Yorker Magazine” had a piece on the issues of hearing in Havana.
